Friday, March 19, 1920. Court Met Pursuant to Law,

DEPARTMENT THREE HONORABLE CHARLES O. BUSICK

Judge Superior Court Presiding.

It appearing to the Court from an investigation made of the Naturalization Records in the County Clerk's Office, that one Charles Johnson, a native of Sweden was admitted a citizen of the United States of America , at the March term 1894 by the Honorable Matt F. Johnson, who was on said date County Judge of Sacramento County, State of California; and now upon application of Charles John Johanson, who being duly sworn, testified that he is a native of Sweden, and is one and the same person. And it appearing to the satisfaction of the Court and the Court feeling that by inadvertance and mistake the Clerk who certified to the above said citizenship papers wrote the name of Charles Johnson in said certificate, and also the records of the County Court. And the Court being fully advised and good cause appearing therefore.

It is Ordered by this Court that the records in that behalf be corrected by the Clerk of this Court, by erasing the name of Charles Johnson wherever it appears of record, and insert the proper name to-wit: Charles John Johanson in the place and stead thereof wherever a correction is necessary in that respect, in the said Naturalization Record.
